The image displays a large grid of 40 columns and 50 rows, used for cross-stitching. Each cell in the grid contains a small symbol, likely representing a needle or thread color. The symbols are arranged in a complex, repeating pattern. The grid is labeled with numbers 0, 10, 20, 30, 40 along the top and bottom edges, and 50, 60, 70, 80, 90, 100 along the left and right edges. The symbols include various geometric shapes like triangles, squares, and circles, as well as lines and dots.
